Mark your calendars! On October 7th, 8a-12p, we will be doing an service project as a church to benefit First Call for Help. They have just moved to new offices and are in need of new shelving assembled and installed for their diaper and food pantries, trim put up, painting done, and drywall patching done. We will try to tackle as many of these projects as we can, based on the number of volunteers we have and the skills we possess! If you are willing to help, please text Marci Lisman, outreach team leader, at (785)650-7033 to let her know if you can help. This will help us communicate with First Call what projects we think we can tackle. If you're unsure, let us know that as well.
